## Electronic Signature Capture Pad

### Signature Pad 1600

#### Save Time and Money with Electronic Signature Capture

With the Signature panel 1600 terminal from ScreenCheck, electronic signatures are stored safely and can easily be added to transaction documentation. This creates a paperless environment to eliminate filing, storage and physical handling of paper receipts. Installation is simple.

Electronic storage of signature for use on documents reduces time and costs of processing, storage, archiving, and retrieval. Patented pressure-sensitive screen: Low maintenance and high uptime performance.
